Good News from Mito Hope and Help

Remember Cathy's dream of having a "Mitochondrial Disease expert locally?" Cathy writes: "...things are really heating up with regard to funding our MITO Nurse Practitioner Liaison program for the long haul with the help of all the local major hospitals. We are getting there, slowly but surely and I couldn't do it without the generous support from everyone who has made donations and supported our efforts thus far!"

Isn't that wonderful news? The Pastoral Council decided to create a "doggy basket" for the Basket Raffle for the April 26 Mito Gala. Save your money so you can come! \$50/person, \$90/couple. Details will follow.

"*Good Ole' Tim*" Toolan was back to shovel AGAIN this week. Tim has decided we have had enough winter. Thank you to **BBB Construction Burke Brothers** for coming to the rescue: the church roof leaked this week, setting off the fire alarm (which, by the way, no one can hear unless you are in the church. Uh huh. Required by law. Uh huh.) Many thanks to those able to meet for the Christmas Craft Fair: **Linda Gaiotti, Sue Sheple, Donna Emerson, Suzanne Glebus, Johanna Morin, Alice Lochmann.** As well, thank you to all who attended the planning meeting for the fabulous Pancake Supper March 4: **Richelene Morey, Jay Porter, Mark Semon, Bob Shepler, Lorry O' Conner.** (It will be fun and delish!) And thanks to **Betty Kusky** for the donation from her soup sales. **Clark Orton** came to the rescue again—this time chopping ice off the back church roof. (SLH agrees with Tim.)

The Results are in: Survey on the Family !

Each and every Catholic has a right and a responsibility to speak and act for the good of the entire Church. Many US Catholics (and Catholics around the world!) did that when they responded to the Pope's survey on the family this past Fall. This is all in preparation for an upcoming Synod on The Family. The Pope really wanted to know what we thought!

Here are few highlights:

- A majority of respondents were Mass-goers (53%) who have a major investment in the Church
- Overwhelmingly, respondents see an urgent need for pastoral care in the Church, an element that has been missing for too long
- There are major differences between Church teaching and how the respondents view separated, divorced and remarried Catholics, contraception, same-sex marriage and women's roles in the church
- Respondents expressed both skepticism that their voices would be heard by most church leaders and hope that things are changing under Pope Francis
- Respondents expressed one near universal hope for a church that would be "a place of mercy freely given, where everyone can feel welcomed, loved, forgiven and encouraged to live the good life of the Gospel (Evangelii Gaudium, #114)."
- Go to MyCatholicFamily.org to read the full report or read it in the narthex. It is on the bulletin board and is on green paper. (Green for hope.)

10% BACK!!! When you bring this bulletin to dinner at Lizzy Keyes, 10% of the cost of the entrees will be donated back to St. Cecilia's Church, kindness of Tom and Amber Grace.
