Introduction to Yoga Priory/ Chestertown

www.prioryretreathouse.org

Are you interested in learning the fundamentals of yoga? This program will focus on a combination of 3 components: (1) meditation and body awareness, (2) breath and movement, (3) the basic principles of yoga. Through this practice, students will learn to position and work the body in ways that optimize length and openness; creating a state of inner balance that encourages attention to proper alignment, strengthen the muscle groups, and overall functioning of the inner organs. You will also work the deeper postural muscles that maintain proper functioning of the joints and spine. Finally, tap into the spiritual understandings of yoga and the integration of mind, body, and soul.

Date: Saturday, February 21, 10am – 3pm
Donation: \$45-55 (as you are able) includes lunch
Facilitator: **Megan Seeley** is a 200-Hour Yoga alliance Certified instructor trained by Gopi Kinnucutt. She has worked with students of all ages and levels. Megan hopes to open new students up to finding their own practice and awareness
