We would like to hang it this year, in the choir loft, from the beam that goes across in front of the Rose Window. It shouldn't be hard. We have the ladder needed. We need someone to a) figure out how to do it b) then do it on 4/23, Holy Saturday AM. Please? Two or three folks to do it would be best. Sign up in the Narthex. THANKS!

**Triduum**

Holy Thursday (7PM) flows into  
Good Friday (7PM) culminates in  
Holy Saturday Easter Vigil (8:30PM)

All of Lent we have been on retreat with

**Shannon Farrell,**

who will be baptized into Christ  
at the Easter Vigil.

We will renew our Baptismal Commitment  
as if for the first time.

**This is the high point of our Liturgical Year.**  
**Please don't miss it.**

**Please keep these three days HOLY.**

*Allow Christ to wash your feet....*

*Participate in the Passion ....*

*Walk bare-shod to kiss the Cross...*

*Gather in Darkness,*

*welcome the Light...*

*Renew your Covenant with the Lord.*

**Why 8:30, so late????**

Because Easter is so late this year.

**It is a rule (not a suggestion) that we are to begin the celebration of the Easter Vigil no sooner than an hour after sunset. Why? The DARKNESS that turns into LIGHT is a primary symbol for us.**

*("Dusk to Light" doesn't make the same impression. Watered down symbols are not good symbols.)*

**Thus, the 8:30PM start time this year.**

**Just a thought...**

Today's Gospel recounts one of the most dramatic stories from the life of Jesus: the raising of Lazarus from the dead. John goes to great lengths to make clear that Lazarus had been dead for some time, and he shows

Jesus' power to conquer death.

We live in a world that has been caught up in death for a long time. We kill each other in acts of murder, abortion, euthanasia, execution, war, terrorist activities, drunk and reckless driving.

We kill ourselves through suicide, drug and alcohol abuse, smoking, overwork, stress, bad eating habits, and physical neglect.

We watch calmly as others die from poverty, hunger and malnutrition, homelessness, unemployment, poor education, disease, lack of health coverage, child abuse, arms proliferation, discrimination, pollution, destruction of the environment, unsafe working conditions, and all the laws, policies, practices and attitudes which contribute to these conditions.

Jesus is the resurrection and the life. He is the God who *will put my spirit in you that you may live.* Our Lenten celebration must serve to remind us that the paschal mystery represents a victory over death.

Pope Paul VI, *Message Issued in Union with the Synod of Bishops* (1974)

"The right to life . . . is basic and inalienable. It is grievously violated in our day by abortion and euthanasia, by widespread torture, by acts of violence against innocent parties, and by the scourge of war. The arms race is an insanity which burdens the world and creates the conditions for even more massive destruction of life."
