### \$50

OJ says the **dishwasher** could easily "get" \$100. It has been used, but replaced only because of someone's kitchen renovation. It is standard size, in the garage, and ready to go. Do you need a good dishwasher? Hand over the money and take it away!!!! See slh.

### FREE

In the rectory basement are two solid heavy wooden doors... Free for the taking. (slh has been using them as shelves!!) Ask and ye shall see.

Next week they will go on the curb. Act fast.

*Congratulations, as well...to

*We need a few more  
Eucharistic Ministers for the

Time Commitment?

### GREAT OPPORTUNITY

Next week a note will be posted asking for help while slh is away. There are some little things that she does regularly that will need to be done while she is gone. They will be listed in priority. **The most important will be to water the sod and new grass!** With out daily watering, the sod will die and our good earned ..... (oops, that's wrong)..... borrowed money will be down the drain!

### Just a thought:

*Once again we are NOT having the Summer Breakfasts. This fundraiser earned us about \$1200. Thus, we will have \$1200 less. Last year, worshipers simply "beefed up" their donations a bit and we made it. Would that work again? If everyone gave an extra \$1 a week, we would make it!*
