★ **Pastoral Council**

- Needed: about five or six parishioners who
- Are faithful members of the Community who sense a calling to the ministry of leadership
 - Who believe in the Mission of St. C's (see bulletin cover)
 - Can attend a monthly meeting (time depends on you!)
 - Who are willing to look forward rather than backward
 - Are willing to learn and attend at least one educational opportunity each year
- If you know of anyone who fits this description, please encourage them to give their name to SLH. From there we will discern who, of the group, will serve. (Regular Meetings would not start until the Fall.)

★ **"Parish Meeting Follow-up"** was attended by Harriet Bunker, Diane Joy Murray, Lynn Smith, and Sister Linda Hogan. The Question: What can we do? We agreed that the main concern is not money or mowing or more..... but is really the person and mission of Jesus. How can we stay focused as a parish? There are many good things that distract us. What do we need to do to make sure that we remain "awake" and not dulled? This discussion will continue. Do you want to join the conversation? The next meeting is tba.

Save a Seat at St. C's

It is as if St. Cecilia's nave is always full of people we love and who love St. C's. If you would like to have a seat in honor of or memory of someone special, please make a donation of \$55 and let us know who the special person is! (\$50 is tax deductible.) Before long, his/her name will appear! This past week, Joan Noble saved two seats: one each for John and Do-reen Cooper.

Financial Stewardship

Last weekend, the Community offered \$2950 toward the maintenance costs and salaries at St. C's. (\$256 was make up from weekends away. Thank you!) For North Country Emergency Fund, folks donated \$137.75.

The Finance Council Met to consider Fundraising for the Summer. Present were Danielle Robichaud, Ed Gaiotti, Richelene Morey, Lorry O'Connor, SLH.

We will once again have the Sunday Morning Breakfasts. Only about 8 folks are needed each week to assist. It is fun, and only the nicest people work at the Breakfasts, so sign up! If we get 32 volunteers, we each only need to work one Sunday!! There will also be a REAL Strawberry Shortcake Event following next Sunday's 2PM Concert. Ed and Linda Gaiotti will pick and prepare the strawberries. Richelene will bake the biscuits and provide the real whipped cream.

A CONVERSATION WITH WOMEN

This wonderful opportunity will address the issue of how to be part of a healthy relationship. North Country Ministry is sponsoring an evening discussion for women. The evening program, led by North Creek counselor Phil Ross, will take place at 7 PM on Wednesday June 16, in St. Cecilia's Church Hall, corner of Main and Pasco, across from Cumberland Farms.

Admission is free and refreshments will be served. Please spread the word to any woman you know who might appreciate this information. To reserve a place, call the North Country Ministry at 251-4460

Just a piece of information....

Many people consider their health a very private affair. On the other hand, when something serious is going on, some folks really want EVERYONE to know so that they can be praying really hard!!!! It is sort of a touchy situation because occasionally it is a good meaning friend who puts someone's name on the prayer chain or wants the person prayed for by the Church, when in fact the person him/herself did not request it and prefers anonymity.. It is for that reason that St. C's seldom mentions anyone by name and does not list the names of the sick in the bulletin.

However, if the person him/herself requests that their name be publicly put in the bulletin, asking for prayers, we shall do it. So, if you personally desire a bulletin request for prayer, please let Sister Linda know. If you want your name on the prayer chain, contact Alice Damp. (see above) Thanks!

Please pray for...

Please pray for Eric Lang who this week will undergo very serious surgery for cancer. Rita and Eric definitely request that you pray for a positive outcome and that Eric receive total healing.. They really really appreciate it!

And please pray for other members of our community who are dealing with very serious health situations. Thank you.
