Let It Rain!!!

Some night, a lot, so in the morning we can check our new drainage system! On Monday the piping will be connected to the storm system. With bated breath, we will be waiting at the grate in front of church hall to see if the water gushes out of the new "St. C Pipe!" The sump pump in the boiler room will now take care of the ground water that floods that part of the basement. "Our church's one foundation" will not longer be in peril.

Please pray for our Mission Kids...

along with Gail DeMarsh, Brian Angell, Dee Warner, and Doug West, who are off to be of service in poor neighborhoods in Rhode Island. MANY THANKS to our parishioners Richard and Louise Carriere for making fabulous arrangements for a "fun day" while the kids are in their home state. St. C's is the BEST!!
