This is how much TD BANK contributed to just one local service organization last year due to people signing up for the "Affinity" Program and naming that organization as the partner. Nothing to it! Confidential. You don't lose a penny. But if we don't have a total of 50 sign-ups soon, the opportunity is lost forever.

Think how much you could help

MITO HOPE AND HELP...

Without it costing you anything.

Let's do this for Mito Hope and Help...

Talk to Marcella Towers at TD Bank. 623-2991, or stop in. (TD Bank supports the charities the community wants it to... By signing up for Affinity to MITO, you are encouraging the Bank to support Mito. If enough people do not sign up, it is a way for the Bank to know that the community doesn't support that particular group. Should we have a position at Albany Med focused on mitochondrial diseases? Obviously, yes! Then support MITO with your Lenten Alms and by talking to Marcella.)

"Marcella, I have an account with TD Bank and I want to sign up for the Affinity Program as a partner to Mito Hope and Help."

Out of the loop?

Don't know what Mito Hope and Help is?

Go to www.mitohopeandhelp.com...

Or talk with Cathy LaFond Evans in the narthex after Mass.
