## Job Opportunity:

**JOB DESCRIPTION:** Long term, team players needed for challenging permanent work in an often chaotic environment. Candidates must possess excellent communication and organizational skills and be willing to work variable hours, which will include evenings and weekends and frequent 24 hour shifts on call. Some overnight travel required, including trips to primitive camping sites on rainy weekends and endless sports tournaments in far away cities. Travel expenses not reimbursed. Extensive courier duties also required. **RESPONSIBILITIES:** The rest of your life. Must be willing to be hated, at least temporarily, until someone needs \$5. Must be willing to bite tongue repeatedly. Also, must possess the physical stamina of a pack mule and be able to go from zero to 60 mph in three seconds flat in case, this time, the screams from the backyard are not someone just crying wolf. Must be willing to face stimulating technical challenges, such as small gadget repair, mysteriously sluggish toilets and stuck zippers. Must screen phone calls, maintain calendars and coordinate production of multiple home-work projects. Must have ability to plan and organize social gatherings for clients of all ages and mental outlooks. Must be willing to be indispensable one minute, an embarrassment the next. Must handle assembly and product safety testing of a half million cheap, plastic toys, and battery operated devices. Must always hope for the best but be prepared for the worst. Must assume final, complete accountability for the quality of the end product. Responsibilities also include floor maintenance and janitorial work throughout the facility. **POSSIBILITY FOR ADVANCEMENT & PROMOTION:** Virtually none. Your job is to remain in the same position for years, without complaining, constantly retraining and updating your skills, so that those in your charge can ultimately surpass you. **PREVIOUS EXPERIENCE:** None required unfortunately. On-the-job training offered on a continually exhausting basis. **WAGES AND COMPENSATION:** Get this! You pay them, offering frequent raises and bonuses! A balloon payment is due when they turn 18 because of the assumption that college will help them become financially independent. When you die, you give them whatever is left. The oddest thing about this reverse-salary scheme is that you actually enjoy it and wish you could only do more. **BENEFITS:** While no health or dental insurance, no pension, no tuition reimbursement, no paid holidays and no stock options are offered; this job supplies limitless opportunities for personal growth and free hugs for life if you play your cards right. **JOB TITLE:** Mother.  
 (Thanks, Mom!)

### "Thank you for your service".

As Memorial Day approaches, it's time to give something back to those men and women in our cluster Parishes, and beyond, who have been in military service. Accordingly, we are launching **Thank You 4 Your Service**, a community wide initiative to show, through our deeds, that our Veteran's service to country is long appreciated. We plan, through a growing number of volunteers, to offer support and services, regardless of religious affiliation or beliefs, to any Veteran, Veteran's spouse or widow(er) and most importantly to families of deployed service members. If you're in a position to "fall in" with us, consider this your call to arms and help drive a program where initially we have a pool of volunteer drivers who would transport Vets or their widow(er)s, and families of active military to appointments, shopping, sporting events, rehearsals, religious services, etc. As the program grows in visibility and acceptance we could offer incremental services to those incapable of handling a task themselves; snow shoveling, lawn care, household repairs, etc. We have targeted, appropriately, the Sunday of Memorial Day weekend( May 27<sup>th</sup>) as our formal kick off with an organizational meeting planned for Thursday, May 31 at the Sacred Heart Parish Center starting at 7 PM. Refreshments will be provided. If you feel that you'd like to get involved in **Thank You 4 Your Service**, please contact Dave Collins @ 791-0188 or email Dave at [ThankYou4YourService@Roadrunner.com](mailto:ThankYou4YourService@Roadrunner.com)
