GATHER

HAPPY 80TH, FATHER PAUL COX!!

How are we so lucky to have the BEST PRIEST in the WHOLE WORLD right here at St C's!?

GOD BLESS YOU, FATHER COX...

OVER AND OVER AND OVER!

*AND THANK YOU FOR BEING OUR PRIEST!
WE LOVE YOU!*

(and want you here for 80 more years!)

As we celebrate the Feasts of All Saints and All Souls, it is comforting to remember that all who have gone before us are actually with us around the Table of the Lord! We look at our windows and remember our fore mothers and fathers who sacrificed to build a home for our Church in Warrensburg. We see names like Ryan, Ashe, Connolly. We look at our name plates on our chairs and remember that our loved ones are with us as we Praise God! It is comforting to walk into St. Cecilia's Nave and know that we are surrounded by fellow disciples... some we see and some we do not! Seats most recently "saved" have been: a seat for Father Cox in honor of his 80th Birthday by Sisters Catherine, Mary, & Linda, as well as Dawn Brunner, Phyllis Welsh, and Judy Rozell; a seat is saved in memory of Margaret P. Clarke, one of our Summerites, saved by her husband Bill; and Barbara Ouellette has saved a seat for her mom, Marist J. Schlutow, who loved our little church! When we see the names, we can pray for them and ask them to pray for us!!

West Wing: Thank you to Dick Heyer who checked on WW after a recent retreatant left; to Rich Morasse for preparing West Wing for the Winter

by draining the pipes; to Pete Wood for closing up the Screen House and checking the trails.. **Convent:**

Thank you to Dick Ouellette for fixing the faith formation chairs to insure that they do not scratch the wooden floors. and Dick Tennyson for trimming the tree. **Church:** Thank you to Deborah Stephenson

for typing up the new music menu and to Irene Harrison and Ellen Barlow for inserting them in the music books. **Fundraising:** Thank you to Richelene Morey, Gerri Howe, and Lynn Smith for planning and organizing the Fashion Show... And to the beautiful models: Gail Demarsh, Lynn Smith, Gerri Howe, Ruth Fruda, Nicole Newell, Erica Gundel, Davida Paniccia, and Jessica Ehle. The food was fabulous and fashions were just lovely! Thank you, as well, to the many wonderful folks who supported the event. **Garage:** Thank you to Joe Moran for fixing the Garage Doors, one more time!! **Ministry:** We thank Kathryn Frentzos for her many years of "collection counting." Kay has decided to take the winter off! At 97, she has that right! However, we expect her back when the snow stops flying!

Help is Needed....

(These count toward your five hours for the Parish!)

- ◆ Parts of a tree are lying behind the convent... there for the taking. It will be available until Tuesday.
- ◆ Tuesday or after, the remains of the tree in the backyard need to be brought to the landfill. "Got Truck?"
- ◆ The sink in the "runway room" at church has been leaking for years. Does anyone want to fix it?
- ◆ The bathroom sink in the convent leaks. It has been "babied along" for about six months. That didn't help. Can you?
- ◆ The old time crèche figures are in the garage attic. We would like to use them this year. Two people are needed to bring them down. (They are light... But awkward.)
- ◆ The air conditioner for the Hall is currently in the hall closet, and totally in the way! Using the dolly from the garage, two people could easily move it to the garage for the winter.
- ◆ Could someone rev up the snow blower just to make sure that it works? (You don't have to fix it ... Just see if it starts.)

(Sorry to be asking for the above help... It is just that we have no maintenance person and no organized team of helpers.

The Parish Life Director has her wrist in a brace and is not supposed to even use it let alone lift air conditioners! There are a number of women who try to but shouldn't do the "heavy lifting." There are a few parishioners who seem to answer every plea for help. Maybe there are a few other folks who could help once in a while. You? Once?)

WHY WOMEN SHOULD VOTE

This is the story of our grandmothers and great-grandmothers; they lived only 90 years ago.

Remember, it was not until 1920 that women were granted the right to go to the polls and vote.

The women were innocent and defenseless, but they were jailed nonetheless for picketing the White House, carrying signs asking for the vote.

Dora Lewis

They hurled Dora Lewis into a dark cell, smashed her head against an iron bed and knocked her out cold. Her cellmate, Alice Cosu, thought Lewis was dead and suffered a heart attack. Additional affidavits describe the guards grabbing, dragging, beating, choking, slamming, pinching, twisting and kicking the women.

Thus unfolded the Night of Terror on Nov. 15, 1917 when the warden at the Occoquan Workhouse in Virginia ordered his guards to teach a lesson to the suffragists imprisoned there because they dared to picket Woodrow Wilson's White House for the right to vote. For weeks, the women's only water came from an open pail. Their food, all of it colorless slop, was infested with worms.

Lucy Burns

By the end of the night, they were barely alive. Forty prison guards wielding clubs and their warden's blessing went on a rampage against the 33 women wrongly convicted of obstructing sidewalk traffic.

They beat Lucy Burns, chained her hands to the cell bars above her head and left her hanging for the night, bleeding and gasping for air.

Alice Paul

When one of the leaders, Alice Paul, embarked on a hunger strike, they tied her to a chair, forced a tube down her throat and poured liquid into her until she vomited. She was tortured like this for weeks until word was smuggled out to the press.

So, PLEASE, get out to vote and use this right for which these very courageous women worked so hard!
