SERVE

Our Summerites are the Best!

Richard Knizeski did the prep work for hanging the room divider in Jarz Hall by painting the “straps” to hold up the track that will hold up the curtain! Tom Dean organized, executed, and cleaned up after the Garage Sale. Laura and Dick Tennyson set up and dismantled, and Mel Daly and Glenn Lunt opened and closed each day!

Two faithful parishioners whom we really depend on are Ulla Morehouse and Donna Emerson who were at the booth for two days straight in the wonderful drizzle. Joe Klewicki, driving by on Monday morning saw that the tent was still up, so Joe took it down and put it away! A huge thanks goes to all who helped in any way. Many thanks to all who donated goods to sell!

The profit from the Garage Sale goes directly into our operating budget. \$1710 was raised from the rent of vendors (up \$10 from 08) and \$617.97 was made by selling a million “little things” at our “booth.” (down \$179.49 from ‘08). *(This may be our last garage sale as there is little assistance given. We are REALLY grateful to above mentioned folks.)*

On a different note 🎵 we offer much thanks to Aurelie Masimine for spending a hour a week trying to re-file all the music that gets displaced and not replaced. Aurelie has done a yeoman’s job! By the time she eliminates the current pile, it will be Advent and she will start over! (Thank you so much! 🎵)

“MONEY MATTERS”

\$98 was offered by the community to for the North Country Ministry Emergency Fund. \$95 was the value of the recent truck load of bottles and cans! \$2327.97 is income for our operating budget from the World’s Largest Garage Sale. Last weekend, the community present offered \$1827 to support the ministry and maintenance of Saint Cecilia’s.

Regarding the Financial Report

- A) type: dibated = donated
- B) Line 10...bold type is typo
- C) Line 14, last column, put a + in front of \$160,174

Important Note:

The + and—signs show increase and decrease. If we have a (-), it does not mean we are in the hole! It means there was a decrease. (Pretty amazing report!)

GATHER

Plan Ahead for October 17 & 18

It is a matter of Justice FAIR TRADE

www.crsfairtrade.org

We live in an era of unprecedented economic interdependence. The decisions we make here in the United States about what we eat, drink, wear and buy affect the lives of people overseas we may never meet. Under the conventional or free-trade system in place today, we often have no way to know how our consumer choices affect our brothers and sisters around the world, from the textile workers in Asia to farmers in Africa to artisans in Latin America. Fair Trade, however, seeks to change that and many other ways in which conventional trade often leaves behind the most vulnerable people. Fair Trade builds right relationships between buyers and sellers that are rooted in the principles of human dignity and solidarity.

Fair Trade

- Respects human dignity
- Promotes the common good
- Advances economic issues
- Empowers disadvantaged people
- Connects us with the people who create the things we buy
- Cultivates global solidarity

We are creating an opportunity for us to bring these core values of our faith to bear on the choices we make as consumers—choices that have the power to lift our brothers and sisters out of poverty. Watch for "Saint Cecilia's Fair Trade Fair" giving us a chance to learn more, taste sample Fair Trade Coffee and Chocolate, and consider alternative Christmas giving.

(Thanks, Laura Danna, Mary Eaton, Terri Leguire, Laura Weick, Phyllis Welsh.)

SWINE FLU

Got it? Been near it??

From the Albany Diocese, the following common sense instruction was given: If anyone has a suppressed immune system, is feeling unwell or has family members or housemates who are unwell, please receive Communion only in the hand. (the transfer of germs is more likely when Communion is administered on the tongue because of contact with saliva.) Refrain from receiving the Precious Blood. The Sign of Peace may be offered as a nod or verbal greeting.

Note: Our ministers of the Body of Christ will sanitize their hands before distributing Communion.
