SERVE

Good Grief!! Such hard workers!!!

- Where would we be without our Summerites? Huge thank you to Tom Dean, who yearly organizes the October Garage Sale, to Laura and Dick Tennyson who spent hours on Friday setting up, and Mel Daly and Glenn Lunt who sell the wares each year.
- There are a few faithful parishioners whom we really depend on: Ulla Morehouse and Donna Emerson. And many thanks to all who donated goods to sell!

(Please note: The above info is what is known as of 10AM Saturday. Occasionally someone will arrive to help unexpectedly. Thus, their name is not here, but we thank them tremendously. If you are reading this and have not assisted in any way, please stop in and offer to sell for two hours. Really. This may be our last garage sale as there is so little assistance given. We are REALLY grateful to the above mentioned folks.)

It is a matter of Justice

What is Fair Trade?

Fair Trade means an equitable and fair partnership between global marketers and producers in Asia, Africa, Latin America and other parts of the world. A fair trade partnership works to provide low-income artisans and farmers with a living wage for their work.

Why Fair Trade?

Our consumer spending choices affect people's lives around the world. The products we enjoy are often made in conditions that harm workers, communities and the environment. But increasingly consumers are demanding more humane, more environmentally sensitive products.

In today's world economy, where profits rule and small-scale producers are left out of the bargaining process, farmers, craft producers, and other workers are often left without resources or hope for their future. Fair Trade helps exploited producers escape from this cycle and gives them a way to maintain their traditional lifestyles with dignity.

(Google "Fair Trade" and learn more.)

Our Children will teach us.

Do-it-yourself' Franciscan Animal Blessing
October 4
Feast of St. Francis of Assisi

For all animals:

*Blessed are you, Lord God,
maker of all living creatures.
On the fifth and sixth days of creation,
you called forth fish in the sea,
birds in the air and animals on the land.
You inspired St. Francis to call all animals
his brothers and sisters.
We ask you to bless this animal.
By the power of your love,
enable it to live according to your plan.
May we always praise you
for all your beauty in creation.
Blessed are you, Lord our God, in all your creatures! Amen.*

For a sick animal:

*Heavenly Father,
you created all things for your glory
and made us stewards of this creature.
If it is your will, restore it to health and strength.
Blessed are you, Lord God,
and holy is your name for ever and ever. Amen.*
