### Just an interesting note:

Last Saturday evening at St. Joseph's Provincial  
 House, Nicole Newell performed a beautiful litur-  
 gical dance during the Eucharist. (The sisters  
 LOVED it!) During the presentation of the gifts,  
 our Sister Catherine Schuyler brought the gifts  
 to the altar, led by Nicole!

Would you like to have your name in the bul-  
 letin in the THANKS column? It's easy.  
 Rake some of St. C's leaves! Or use the  
 "blower" found in the garage.

Or bake cookies for Confirmation!  
 Or teach a Bible Story on a Sunday!

## We Serve

### SHARING TREASURE

**Last Sunday: \$2,904.20**

(Thank you to all who "make up" after an absence.)

Make-Up = \$970    Gifts = \$305    Fuel = \$115  
 Debt Reduction/Drainage Project = \$117  
 World Mission Sunday = \$262    Mito = \$10  
 Faith Formation = \$25    No. Country Ministry = \$35  
 Virtual Breakfast = \$10    Kateri Tuition = \$25

### BY NOT USING ENVELOPES, THIS IS WHAT YOU ARE MISSING:

*The opportunity to give. There is often a request for  
 "Help for a parishioner in need," or "Mito" or Faith  
 Formation or the Annual National Collections. Our  
 envelopes enable you to give one amount disbursed  
 over a variety of needs. These needs are not ordi-  
 narily announced. Therefore, non-envelope users  
 do not give.*

### But I don't want anyone to know what I give.

*Then just use the envelopes anonymously. Take a  
 blank set and use cash.... but mark it as given to dif-  
 ferent categories. Using our version of the enve-  
 lopes makes giving easy. "One Stop Giving!" You  
 could even hand in your stash of "envelopes" once a  
 month! It is as easy as pie.*

### Many thanks to many folks....

Dick Ouellette organized the "Roof Raising Event"  
 last Saturday and did a fabulous job! Dick managed  
 the "ground crew," all of whom did a great job:  
 Ron Bocchieri (after knee surgery!), Brenton South-  
 wick & Jimmy Cunniffe (two of our super high-  
 schoolers), Drew LaFond Evans with his grandpa,  
 Rowland LaFond, and Bud York who thought he was  
 in the middle of an Amish barn-raising! The "Roof  
 Crew" were all professionals, including Dick O's  
 three sons: Norm (the foreman!), Mike, and Steve,  
 all who work the way Dick does— fast and furiously!  
 Glenn Lunt (a very faithful and generous Summer-  
 ite!), Tom Grace (Lizzie Keyes' and a true gentle-  
 man), Scott Thomas (who sort of started this pro-  
 ject years ago when he suggested to slh that we  
 might get involved in Habitat for Humanity—this  
 was St. C's version), Joe Davies (new to St. C's—he  
 jumped right in!), Jarod York (who made it look  
 easy), Joe Ehle (an absolute pro), Joe Norton (a real  
 worker, directed to us via Jack Toney), Jeff Lehman  
 (a great worker with a great smile). Scaffolding  
 and "walkways" were borrowed from Mark Morey,  
 Fred Witz, and Ed Carpenter. They were trans-  
 ported by Fred Witz and Dave and Danny McNeil.  
 Dave Spatz "manned" the grub, provided by Ellen  
 Barlow, Danielle Robichaud, Lorry O'Connor, Ellen  
 Hickson, Betty Kusky, Richelene Morey, Ruth Furda,  
 Violet Spatz, Vi Schrier, Dorianne and Sean Cun-  
 niffe, Sandy LaFond. The financial backing for the  
 project was donated by parishioners, Summerites,  
 first time visitors, and two local businessmen (John  
 Alexander and Jack Toney). Believe it or  
 not, with one verbal  
 announcement, this  
 little church donated  
 \$4,640!!!!

### The Spirit is here!!!

And besides all of the  
 above.... we started  
 our story-telling last  
 weekend. Leigh Cain

Joe Davies  
 having way too much fun!

leads our children in their education about "Catholic  
 Culture" followed by the stories told by Gail De-  
 Marsh (The calming of the waters) and Emily Kladis  
 (Wedding at Cana). The Biblical Snack (water  
 changed to .... with a side dish of fish!) was pre-  
 pared by the chef, Ellen Hickson. Jim Hickson and  
 Debbie Toolan served as "bouncers." In order to  
 have two classes and a "cooking class" going on  
 simultaneously in the hall, it was necessary to install  
 a second "sound" curtain. The curtain was created  
 by Donna Emerson (absolutely no small task!), the  
 "carrier" was searched out by Dean Schermerhorn  
 and donated by Chris Detmer (Adirondack Scenic).  
 The carrier was installed by Dick Tennyson. Dick,  
 with assistance from wife Laura, also built, installed,  
 and painted the "box frame" to "finish" the project.  
 This was another huge job! (Check it out.)  
 Thanks Dean, Chris, Donna, and Dick!

### Direct from Cathy :

I want to ensure I extend a proper thank you to **EVERY-  
 ONE** who played a role in making my family's new roof  
 a reality! I have hand written thank you's for all of  
 those who were on site the day of the roofing project.  
 That covers the dozens who comprised the working crew,  
 those who supplied the delicious food to keep the volun-  
 teers going strong and the men who delivered and then  
 picked up the scaffolding materials. There are many  
 more individuals I don't have the names of, that need  
 thanking, who donated funds for this enormous undertak-  
 ing. To **ALL** of **YOU**, please know there are **not**  
**words to express what your heartwarming generosity**  
**and kindness means to my family!**

**THANK YOU!**

*Cathy LaFond-Evans*
