RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

We Bear the Name of the Lord

The name of the Lord is a curiously powerful thing. Say it deliberately, even in a group of people who are not particularly religious, and you'll know what I mean. There is a shift in the mood, a change in the atmosphere. When we utter the name of the Lord, He turns His head.

Once, in confession, I admitted to the sin of using the Lord's name in vain. "When you do that, tell God that you love him," advised the priest, who was wise enough to know that I would repeat this sin at some point. "You've said His name, after all. You have His attention."

We hear the name of the Lord, and we think of what it represents — John 3:16, salvation history summed up in a neat little sentence, the why and the how and the who of it all laid out before us. The Lord, so slow to anger that He offers us a million chances. The Lord, so rich in kindness and fidelity that He literally gave Himself to us that we might be saved.

But the name of the Lord is more than that. It is not just a symbol, it is an invitation. I think of Moses clutching the commandments, beseeching the Lord: "Come with us. Forgive us. Receive us as your own." The Lord accompanies us down the mountain. We bear the name of the Lord into the world with us wherever we go.

I have to ask myself: do I do that name justice?

"Blessed is your holy and glorious name,
praiseworthy and exalted above all for all ages."

North Country Ministry

North Country Ministry is excited to be opening a Clothing Center at the YMCA Adirondack Center in Brant Lake. This program will eventually be open Wednesdays from Noon-4 pm. In order to open this program, we are going to need volunteers to help run the program. As we look to expand our programs in the coming year, we are looking for more volunteers to help make this growth possible. Anyone interested in volunteering regularly or occasionally should contact Kayla at Kayla@ncmfriends.com or (518) 623-2829.

Everyday Stewardship

After years working for the Church, I can honestly say that even though I feel closer to God, I still cannot fully grasp all that is God. The complexity of God has been the source of many volumes by many writers and theologians. The crazy reality of growing in a relationship with God is that the more you get to know God, the more complex God becomes.

But I think that is true of human relationships as well. I feel like I can really peg a person one way or another after only meeting him or her a few times, but my wife and children continue to perplex me. Getting to know someone means you begin to uncover the layers of personality, feeling, and emotion that make up each human being. For those who see God as only a force or a light, God is simply defined. But for those who seek to be disciples of Jesus Christ, the God we find in relationship has many layers as well.

But that which we do know for certain about God comes to us primarily from the person of Jesus. He called us to a way of life by not only teaching us about how to live, but by showing us the example of his life. Our God is defined by generosity, sacrifice, compassion, and, of course, love. The more we incorporate these characteristics into our own life, the more we bear witness to the true nature of God. Then others can see a God that is a little less complex because they understand him through you and me. Our life will speak more than all the volumes written by all the theologians.
